Attendance

- Attendance:
 - <https://forms.gle/NXWVE67PBD1isiLr7>

Icebreaker - Share your project

- Why did you choose this topic?
- What challenges did you have while making it?
- What is your favorite part / what successes did you have?
- What would you like to add if you had more time?

If you're not done, that's okay! We still have today to work on it. Just show what you have so far.

Spotlight: Camryn Geban

- Attended:
 - All Saints Anglican Primary School
 - Belize High School
- Now: Pursuing her Associates degree in Health Science (online) at the University of the People

“I have always been interested in technology.”

Spotlight - Video Game Design with Shigeru Miyamoto

What things does Miyamoto say a game needs?

What made the first level of Mario so well-designed?

What was the reason for creating a mobile phone version of Mario?

Final Project Showcase

- Next Saturday, we will hold our last Belize Coding Club meeting.
- During that session, each student will have the opportunity to share their project and talk about their experience with us.
- Follow these steps to get ready for it!

Final Project Showcase

1. Open the Final Project Showcase slides

The screenshot shows a Google Slides presentation titled "Final Projects Showcase" in a web browser. The browser's address bar shows the URL: https://docs.google.com/presentation/d/1ly8B_mQcQqgx1AX9tySmS82K_KxQpwpfYyoNF99M9I0/edit#slide=id.g2093a4c32db_0_0. The presentation interface includes a top menu bar with "File", "Edit", "View", "Insert", "Format", "Slide", "Arrange", "Tools", "Extensions", and "Help". Below the menu is a toolbar with icons for undo, redo, copy, paste, search, and navigation. The main slide area displays a dark green slide with the following text:

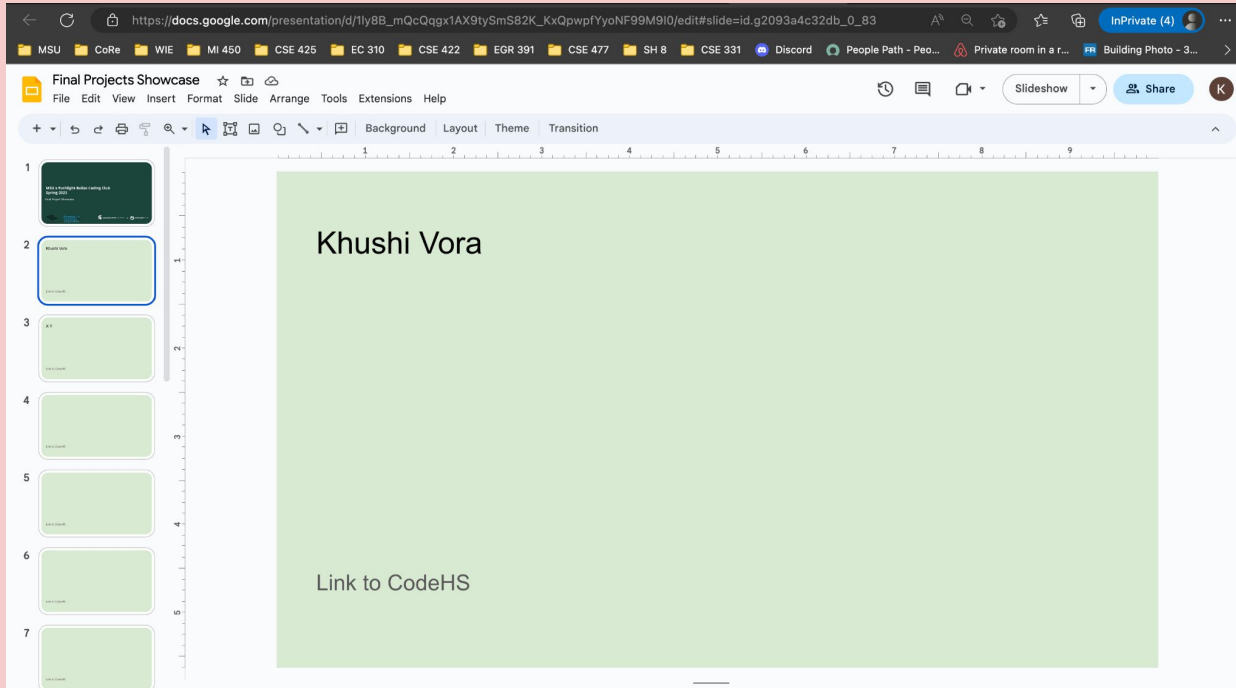

**MSU x Pathlight Belize Coding Club
Spring 2023**

Final Project Showcase

At the bottom of the slide, there are four logos: SIGSOFT, touse2 (IEEE Technical Council on Software Engineering), MICHIGAN STATE UNIVERSITY, and PATHLIGHT BELIZE. A left-hand sidebar shows a thumbnail of the current slide and a list of seven other slides, all with light green backgrounds.

Final Project Showcase

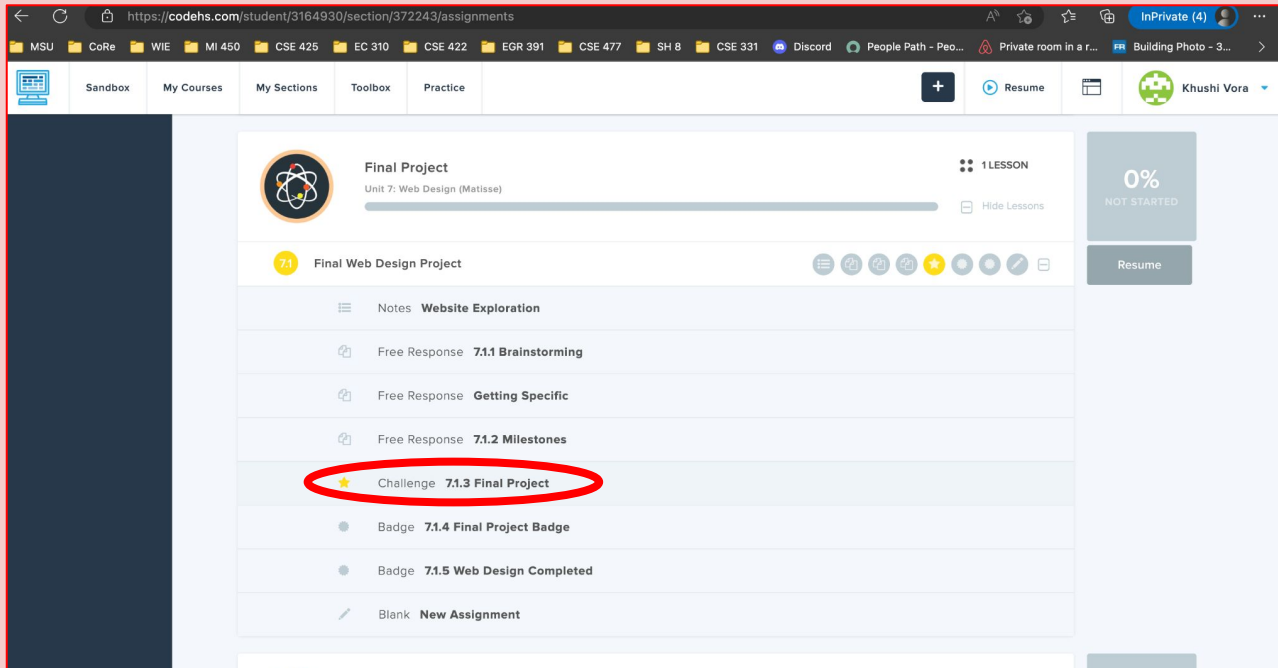

2. Find the slide with your name (if you can't find it, create one)

The screenshot shows a Google Slides presentation titled "Final Projects Showcase". The browser address bar displays the URL: https://docs.google.com/presentation/d/1ly8B_mQcQqgx1AX9tySmS82K_KxQpwpfYyoNF99M9I0/edit#slide=id.g2093a4c32db_0_83. The presentation has 7 slides. The current slide is slide 2, which has a light green background and contains the text "Khushi Vora" at the top and "Link to CodeHS" at the bottom. The slide thumbnail on the left shows a blue border around slide 2. The top navigation bar includes "File", "Edit", "View", "Insert", "Format", "Slide", "Arrange", "Tools", "Extensions", and "Help". The right side of the navigation bar shows "Slideshow", "Share", and a user profile icon. The bottom of the slide shows a horizontal ruler with numbers 1 through 9.

Final Project Showcase

3. Open your Final Project on CodeHS

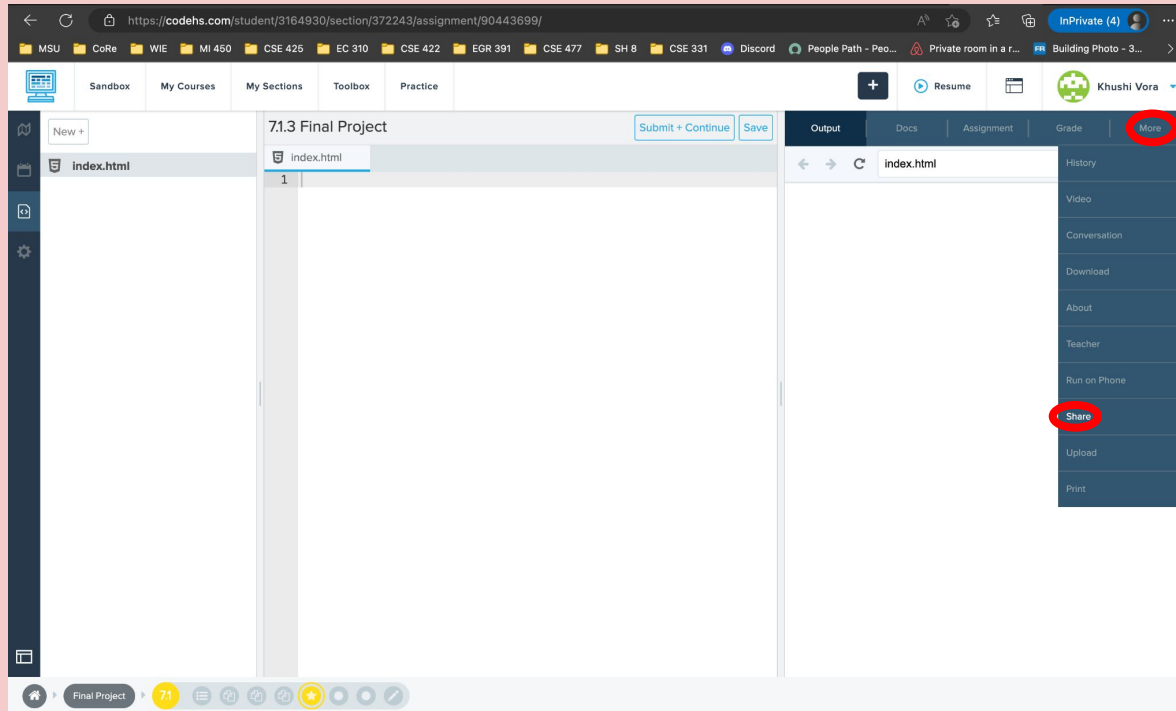

The screenshot displays the CodeHS interface for a student's assignments. The browser address bar shows the URL: <https://codehs.com/student/3164930/section/372243/assignments>. The top navigation bar includes tabs for 'Sandbox', 'My Courses', 'My Sections', 'Toolbox', and 'Practice'. The main content area is titled 'Final Project' and indicates 'Unit 7: Web Design (Matisse)' with a progress bar and '1 LESSON' completed. A '0% NOT STARTED' badge and a 'Resume' button are visible on the right. The assignment list includes:

- 71 Final Web Design Project
 - Notes Website Exploration
 - Free Response 71.1 Brainstorming
 - Free Response Getting Specific
 - Free Response 71.2 Milestones
 - Challenge 71.3 Final Project** (highlighted with a red oval)
 - Badge 71.4 Final Project Badge
 - Badge 71.5 Web Design Completed
 - Blank New Assignment

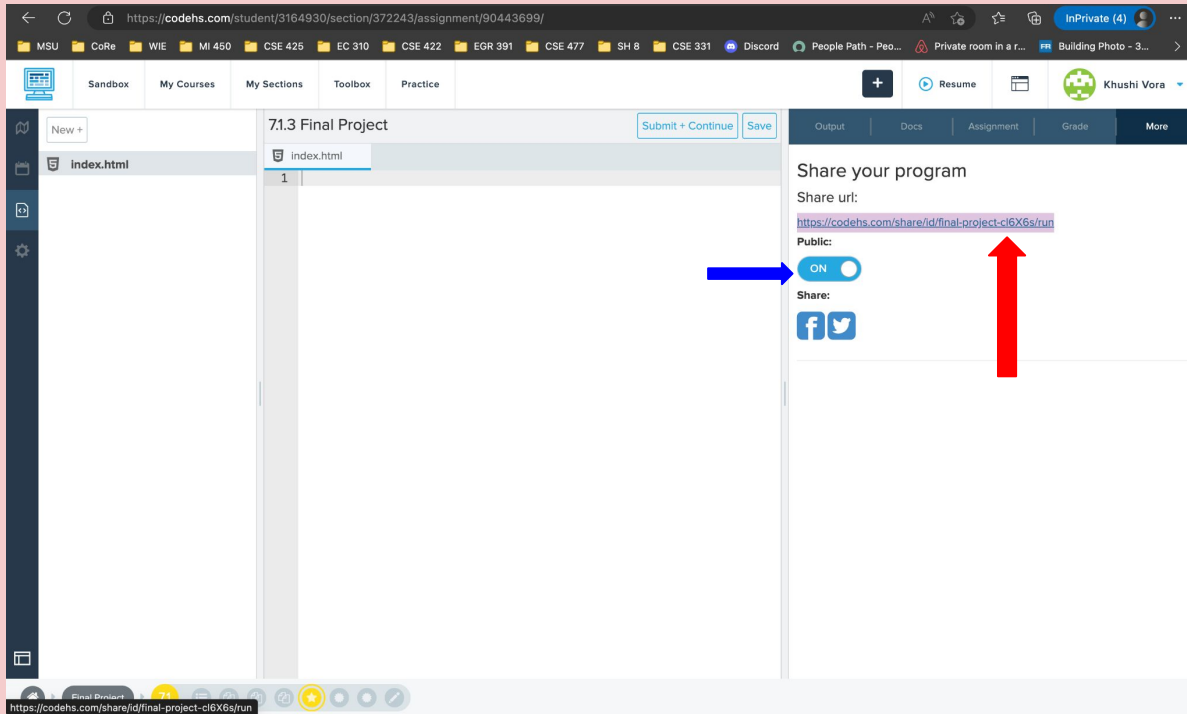

Final Project Showcase

4. Click on “More” >> “Share” on the top-right corner.

Final Project Showcase

5. Make sure the "Public" option is turned on. And copy the URL that shows up.

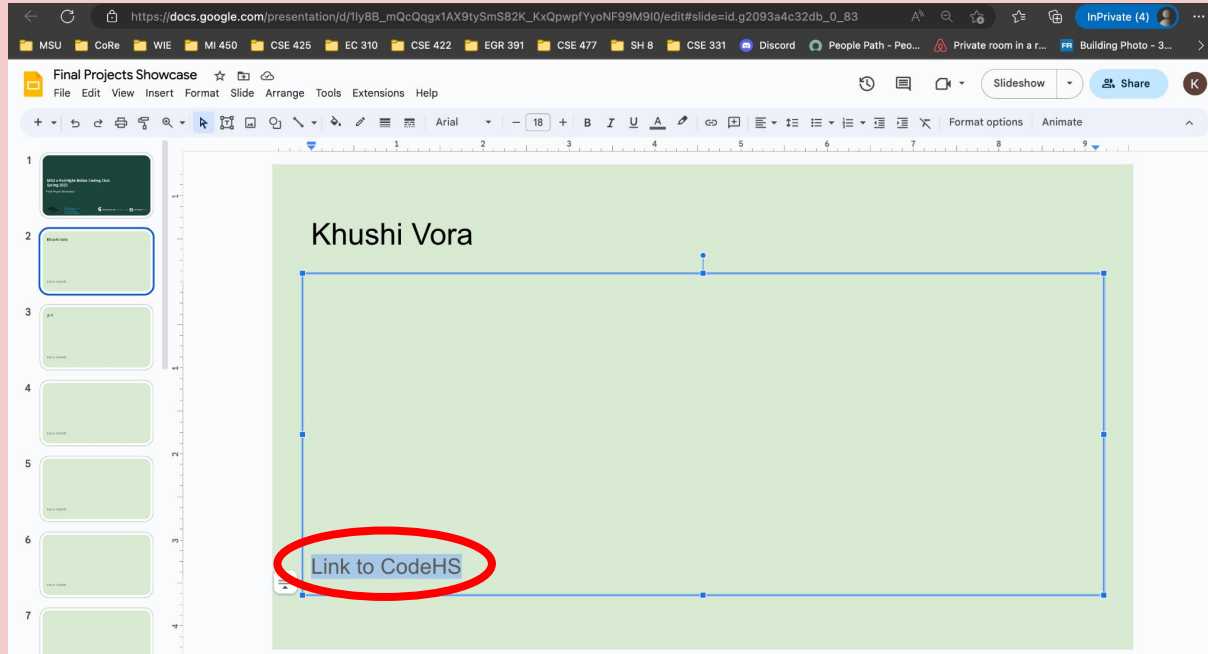

The screenshot displays the CodeHS IDE interface. The main workspace shows a file named 'index.html' with a single line of code. On the right side, the 'Share your program' panel is visible. It contains the following elements:

- Share url:** A text field containing the URL `https://codehs.com/share/id/final-project-cl6X6s/run`, which is highlighted in purple.
- Public:** A toggle switch that is currently turned on, indicated by a blue circle and the text 'ON'. A blue arrow points to this toggle.
- Share:** Social media sharing icons for Facebook and Twitter.

A red arrow points to the share URL. The browser's address bar at the bottom shows the URL `https://codehs.com/share/id/final-project-cl6X6s/run`.

Final Project Showcase

6. Navigate back to the Project Showcase slides & select “Link to CodeHS”

Final Project Showcase

7. Click on the “Insert link” option, paste the URL copied from CodeHS and click on Apply

Final Project Showcase

You are all set! Keep working on the project and don't hesitate to ask for help from mentors!!

Final Project - Last day to work!

Be sure to include:

- A title (in the head tags)
- A header (<h1>)
- A description of your website (what is it about?)
- Try to implement at least two of the following: list, table, image, or link

Once you have completed the above tasks, you can spend time adding colors, finding the best images, formatting, and adding anything else!

Example Projects

Jamboard - Stand Up

Go to the Jamboard and for each question, answer with a sticky note.

You can change the size and color of the note.

No need to put your name, these can be anonymous.

Jamboard - Stand Up

Press the arrows at the top to go through all four questions.

Make sure to put an answer down for at least two!

After a few minutes, we can go through some of the responses. Feel free to elaborate on your answer or respond to someone else's!

Jamboard - Stand Up

1. On a scale of 1 to 10, how are we feeling about today's lesson?
2. What did you enjoy doing today?
3. What was a challenge you faced today?
4. What is something you hope to learn about web development in this course?
